### **Glo2Facial + 2 330**

Start with O2 bubbles to gently exfoliate and bring oxygen to the skin surface, then LUX to smooth and plump skin and improve absorption of custom serum. Finally detox with lymphatic massage to sculpt and reduce redness. Treatment includes 2 more areas - neck and décolleté. 60 minutes

### **Glo2Facial Enhanced 230**

Oxygenation, LUX to smooth and plump skin and improve absorption of custom serum as well as detox with lymphatic massage. **Introductory special!** Treatment will include signature hand treatment. 45minutes

### **Glo2Facial Express 160**

Short on time? Oxygenation, LUX to amplify serum absorption, and detox with lymphatic massage to leave clean, calm and hydrated skin. 30 minutes

## Peels

---

### **ZO 3-step Chemical Bundle 495**

Professional peel treatment requiring 6 weeks of preparation to hydrate and peel properly, leaving baby fine, glowing skin. Bundle includes starter products to properly prepare. Cleanser, Pads, Polish, WrinkleTexture, Daily Power Defense, and 3 step peel application.

### **ZO Stimulator Pop 175**

Mid-level peel treatment to reduce fine lines, dull or uneven skin texture using alpha hydroxy acids (AHA) and beta hydroxy acids (BHZ). The "pop" is a stronger version of the Stimulator Peel so light flaking and anti-aging effects can be expected for several days.

### **ZO Stimulator Peel 125**

Lunch-time peel treatment to gently exfoliate without down time or discomfort. A unique combination of exfoliating alpha hydroxy acids (AHAs) and beta hydroxy acids (BHAs) to renew and brighten your skin in just 30 minutes. This treatment can be done once a week.
